

# Genetics For Generations

At Koester Red Angus, we focus on optimums, not maximums, to produce cattle that are balanced in all traits. We strive to develop efficient, maternal cattle that combine performance, structural soundness and phenotype from the moment their progeny hit the ground until they hang on the rail.

By blending trait-leading genetics with proven outcross lines, we enhance economic traits to keep us all in the beef business for this generation and generations to come.

## Sale Features ...

Sire:  
Glacier  
Chateau 744

MGS:  
Red Fine Line  
Mulberry 26P

BW: 64  
WW: 631  
YW: 1,170

**Koester Chivas 005** – #1415933

Chivas has been a standout since birth. He is a double-bred Chateau son out of a dam that combines one of the most popular outcross bulls of recent years – Red Fine Line Mulberry 26P. He is a total package and will have a large impact in any herd.

**Koester Highly Awesome 030** – #1415931

This bull is typical of the High Yield offspring – long-sided, thick-quartered, attractive cattle that do everything well. Highly Awesome's dam is by our muscle-and-REA sire, Rob Roy 10444, and the High Yield x Rob Roy combination is certain to result in very profitable offspring in all segments of the industry.

## Proven Genetics ...

**LSF High Yield 8088U** – #1248523

This is our first sale offering of High Yield offspring and we feel very confident that they will be well received. They are long, deep, thick cattle that have an attractive profile. We harvested a group of commercial calves sired by High Yield and they did exceptionally well, finishing at about 11 months with good grade and yield results. Co-owned with Kuhn's Red Angus & Ludvigson Stock Farms. Leased to Accelerated Genetics.

**5L Norseman King 2291** – #806707

The proven, reliable muscle king – Norseman King – has done a nice job for us, doing exactly what we wanted him to do and that was to add muscle and produce great females.

**Glacier Chateau 744** – #557331

Chateau has almost 3,900 recorded progeny – talk about proven! This is a sire that has stood the test of time. He calves easily, leaves fabulous daughters and ranks in the top 16% of the breed for REA, top 9% CEM and top 12% Stay.
